State of Illinois
Eye Examination Report

Illinois law requires that proof of an eye examination by an optometrist or physician who provides complete eye examinations be submitted to the school no later than October 15 of the year the child is first enrolled or as required by the school for other children. The examination must be completed within one year prior to October 15 of the year the child enters an Illinois school.

I am unable to obtain the required vision examination because:

My child is enrolled in the free and reduced lunch program and is ineligible for public insurance (Medicaid/All KIDS).

My child is enrolled in Medicaid/All KIDS, but we are unable to find a medical doctor who performs eye examinations or an optometrist in the community who is able to see the child and accepts Medicaid/All KIDS.

My child does not have any type of medical or vision/eye care insurance coverage, and there are no low-cost vision/eye clinics in our community that will see my child.
